Subject: Support for MM-77, Confirmation of Adam Wong, Board of Water Supply

Aloha Chair Martin and Members:

The Ko'olau Foundation offers its strong support for the re-appointment of Adam Wong to continue serving as a member of the Honolulu Board of Water Supply.

We have known Adam for several years, and have great regard and respect for his knowledge of the business sector and awareness of issues that our community faces with infrastructure and growth. His past service on the Board of Water Supply has been exemplary, and he is deserving of reappointment to continue his good efforts.

We feel assured that his experience both as a board member and in business have prepared him well to serve on this important board that oversees our municipal water supply for the island of O'ahu.

We urge your confirmation of his appointment.
